

Tray Trolley with wooden panels for 10 trays h2200156

Professional single-column tray trolley with **stainless steel** structure and refined **melamine-faced wood side panels**. Capacity **10 GN 1/1 trays**, available in Cherry, White or Tobacco Oak finishes. The perfect combination of design and efficiency for restaurants and hotels.

The **tray trolley with wooden panels** is the ideal technical furnishing solution for hospitality facilities that wish to maintain a warm and welcoming aesthetic even in service tools. The solid **stainless steel square tube structure** guarantees maximum hygiene and durability, while the melamine-faced wooden side panels allow the trolley to integrate perfectly with the dining room decor, hiding dirty dishes from view.

This model is designed to accommodate **10 Gastronorm 1/1 trays** (53x32.5 cm) on resistant stainless steel sheet "L" runners. Aesthetic versatility is guaranteed by the possibility of choosing between three different finishes: the elegant **Cherry**, the modern **White** or the refined **Tobacco Oak**. Thanks to the 12.5 cm swivel wheels and corner bumpers, the trolley is extremely agile and safe when moving between tables and the kitchen.
