

## Tray with kettle for hotel room h438\_230

Professional "Premium" welcome set with waterproof leather-effect tray and 0.8 liter matte black kettle. Includes coordinated condiment tray and 1000 W low-consumption system. Dimensions: 39.5 x 26.5 x H 23.2 cm.

The **hotel room welcome set** is a sophisticated solution designed to elevate the stay experience in the most elegant accommodation facilities. The kit stands out for the high quality of its materials: the tray is made of a special combination of ABS and polymers with a refined **leather-effect** in black and gray, which combines luxury aesthetics with the practicality of a **completely waterproof** product. This feature ensures total protection against stains and impeccable ease of cleaning.

The matching kettle has a capacity of 0.8 liters and is finished in a modern **matte black**. Built in stainless steel and polypropylene, it offers a power of 1000 W, ideal for ensuring rapid boiling without overloading the room's electrical network. The set is completed by a two-tone polypropylene condiment tray, perfectly integrated to organize tea bags, sugar and spoons in an orderly and professional manner.
