

Triple cereal dispenser 5+5+5 Lt h1005_22

5+5+5 Lt cereal dispenser for 4 and 5-star hotels. 3 polycarbonate containers. With portioner. Dimensions: W. 54 x D. 18 x h. 70 cm.

Triple cereal dispenser h1005_22 with three containers in polycarbonate of 5 liters each, equipped with portioners, ideal for 4 and 5-star hotels.

The triple cereal dispenser is designed to offer a practical and hygienic service for the distribution of cereals in professional environments such as high-end hotels.

The **three 5-liter containers in polycarbonate** are characterized by high **resistance and durability**, thanks to the thermoplastic properties of this material, which also guarantee thermal stability and recyclability. The structure made of **18/10 AISI 304 stainless steel** ensures robustness, ease of cleaning, and an elegant design. The **integrated portioners** allow for precise and waste-free dispensing, keeping the service efficient and tidy.

The product integrates perfectly into high-quality catering environments.

Choose the h1005_22 triple cereal dispenser with polycarbonate containers for a practical and refined management of the buffet in your accommodation facility.
