

Triple dining room service cabinet h09_202

Professional service station for dining rooms with three compartments (136x48x95h cm). Melamine structure with 3 cutlery drawers, 2 doors and multidirectional wheels. Available in Walnut, Carbon and Ash.

The **professional dining room service station** is a robust and spacious service cabinet, designed to meet the needs of catering facilities that require maximum organization in large spaces. Made entirely of **melamine-faced wood**, both for the structure and the panels, this cabinet combines an elegant design with superior functionality. The unit is divided into three strategic compartments: it has **3 cutlery drawers** (2 of which are equipped with an internal separator) and **2 large doors** with an internal compartment for storing plates, linens and dining room accessories. Thanks to the silent multidirectional wheels, it can be moved easily despite its imposing structure, facilitating cleaning and repositioning operations.
