

## Trolley for GN 2/1 trays 18 levels h464\_243

Professional 18/8 stainless steel tray trolley for 18 GN 2/1 trays. Sturdy square tube structure (62x70x180 cm) with swivel wheels and brakes.

The **professional GN 2/1 tray trolley** is a "heavy duty" equipment essential for logistics and storage in industrial kitchens, large restaurants and cooking centers. Made entirely of **18/8 stainless steel**, this model offers superior stability thanks to the **2.5 x 2.5 cm** square tube structure. With its 18 loading levels, it allows for managing massive volumes of Gastronorm containers, optimizing space and facilitating the transport of preparations. The design is studied to withstand heavy loads and intensive use, ensuring a smooth insertion of trays and safe maneuverability thanks to the swivel wheel system with integrated brakes.

## Technical features

- **Material:** 18/8 Stainless steel (high corrosion resistance)
- **Structure:** Professional 25 x 25 mm square tube
- **Capacity:** 18 shelves for Gastronorm GN 2/1 containers
- **Total dimensions:** L. 62 x W. 70 x H. 180 cm
