

Two-seater school desk for computer classroom h908_214

Two-seater computer classroom desk in Ø40 mm steel. 200x80 cm ivory top, height size 5. Sturdy C-frame for laboratories and schools.

The **H908_214 desk** is a two-seater table designed specifically for setting up **computer classrooms**, educational laboratories, and professional training centers. Its architecture with a **"C" frame in 40 mm diameter steel tube** guarantees high mechanical stability, making it suitable for intensive and prolonged use in high-traffic contexts. The generously sized work surface (200x80 cm) allows for the coexistence of two complete hardware stations, while ensuring the necessary space for paper teaching materials.

Technical characteristics

- **Type:** Two-seater table for computer classroom and laboratories
- **Structure:** "C" profile in Ø 40 mm steel tube
- **Dimensions:** L 2000 x W 800 x H 710 mm
