

Umbrella stand 22-liter capacity h20_206

Cylindrical 22-liter umbrella stand in stainless steel or painted metal, with internal drip tray, also usable as a waste paper bin. This **cylindrical umbrella stand** represents a versatile and functional solution for managing entrances in professional contexts, offices, and hospitality structures. Designed with a sober and elegant design, the product integrates an **internal plastic tray** dedicated to collecting rainwater, preventing dripping on floors and ensuring maximum hygiene. Its structural shape allows for alternative use as a **waste paper bin**, offering a multi-purpose solution for organizing interior spaces.
