

Umbrella stand for hotels h413_120

Round satin-finished stainless steel umbrella stand (Ø 30 x H 70 cm). Compact design with a compartment for small umbrellas, ideal for hotels and offices.

The **round satin-finished stainless steel umbrella stand** is a professional solution designed for hospitality in hotels, restaurants, and accommodation facilities. Crafted to combine modern aesthetics with maximum functionality, this accessory solves the problem of order in entrances during rainy days. The **high-quality stainless steel structure** ensures long-lasting protection against humidity and corrosion, guaranteeing that the product maintains its integrity even in high pedestrian traffic contexts.

The satin finish was specifically chosen for its performance properties: in addition to providing an elegant appearance, it significantly reduces the visibility of fingerprints and water spots, simplifying daily cleaning operations. The integration of a **separate compartment for small umbrellas** allows for optimizing internal space, offering an organized and well-maintained service for every type of guest.
