

Umbrella stand for restaurants h413_98

Cylindrical lacquered metal umbrella stand Ø25xh50 cm, 24-liter capacity. Versatile and minimal design ideal for HoReCa environments and offices.

The **professional umbrella stand** with a cylindrical shape is a functional solution designed for the organization of entrance spaces in high-traffic contexts. Made of high-resistance **lacquered metal**, this accessory combines structural solidity with a sober aesthetic, solving the need for orderly and clean umbrella storage. It has been developed to integrate perfectly into contexts where design must accompany operational practicality, such as accommodation facilities and professional work environments.
