

Urban furniture bench for children h140_442

Pencil bench for children, suitable for outdoor spaces. Dimensions: W. 200 x D. 46 x H. 40 cm. Number of seats: 3.

A blend of **creativity and design**, the **pencil-shaped urban furniture bench** is designed **for use by children**. It is characterized by its **playful lines** and **vibrant colors**, specifically **matte light blue RAL 5012** and **light ivory RAL 1015**. The **structure, raised from the ground** by galvanized steel profile supports, consists of a hexagonal **body** made of **20/10 thick galvanized steel sheet** and an **internal frame** made of **galvanized steel profiles**. The **tip** consists of a **truncated cone** made of **15/10 thick galvanized steel sheet**, obtained by laser cutting technology and subsequently shaped. There is also a **terminal element that reproduces the pencil lead**, also made of **galvanized sheet metal**. **Designed for ground fixing** via a frame at the base. The **coating** used is **thermosetting powder** with oven baking. This product is **subjected to anti-corrosion treatment** which makes the bench durable and resistant.

Technical features:

- For children
- Dimensions: W. 200 x D. 46 x H. 40 cm
- Useful seat length: 165 cm
- Weight: approx. 45 kg
- Material: galvanized steel sheet powder-coated with thermosetting powders and subjected to anti-corrosion treatment
- Color: matte light blue RAL 5012 and light ivory RAL 1015
- Designed for ground fixing
- Base frame
- Raised from the ground to avoid direct contact with the surface
- Certifications UNI EN ISO 9001:2015; UNI EN ISO 3834-4:2006; UNI EN ISO 14021:2012 Type II
