

Urban furniture bench h867_13

Metal bench for public spaces. Without backrest. Dimensions: L.2000 x D.600 x H.420 mm.

Steel bench for public spaces, characterized by a structure without backrest.

The item features legs made of 60 x 40 tube and 10 mm thick sheet metal. The seat is instead made of 4 mm thick sheet metal. The item is particularly resistant to wear over time thanks to the powder-coated finish.

Ground fixing is done using pins not supplied.
