

Urban furniture bench with armrests h867_12

Bench with armrests for urban furniture. Dimensions: L.2000 x D.570 x H.760 mm.

Steel bench for public spaces, ideal for public parks, avenues and historic centers. The item features legs in 60 x 40 tube and 10 mm thick sheet metal. The seat and backrest are instead made of 4 mm thick sheet metal. **The armrests** complete the structure and guarantee greater comfort. The item is particularly resistant to wear over time thanks to the powder-coated finish.

Ground fixing is done using pins not provided.

Technical features:
