

Urban furniture bench with backrest h424_84

Outdoor bench for public spaces. Material: steel and recycled plastic. Dimensions: L.180 x D.52.2 x h.97.2 cm.

Urban furniture bench specifically for use in coastal and seaside areas. Thanks to the **steel frame and recycled plastic slats**, it ensures excellent resistance to salt spray and rust. Equipped with a **comfortable backrest** to make the seat more comfortable and a **base with holes** designed to allow bolting to the ground.

Technical features:

- Dimensions: L.180 x D.52.2 x h.97.2 cm
- Material: steel and recycled plastic
- With backrest
- Fixing: to be bolted
