

Urban furniture bench with planter h287_295

Bench for public spaces with concrete planter. Dimensions: Ø cm 38 x 40h.

Urban furniture bench with planter, ideal for elegantly furnishing public places, giving the surrounding environment a touch of green thanks to the planter attached to the structure. The product is made of reinforced, vibrated, and polished concrete, available in two different finishes: faux travertine white concrete and polished white concrete.

The anti-degradation water-repellent treatment for outdoor use ensures protection against atmospheric agents and wear over time.

Technical characteristics:

- Material: white concrete, reinforced, vibrated, and polished
- Anti-degradation water-repellent treatment for outdoor use
- Planter: Ø cm 38x40h
- Dimensions: 150x60x45h cm
- Weight 600 Kg
