

Urban furniture bollard H 120 cm h1027_05

Stainless steel bollard for urban furniture, height 1200 mm, diameter 108 mm. Hand-brushed finish with high-quality mirror-polished cap.

The **urban furniture bollard H1027_05** is a technical solution designed to combine the delimitation of public spaces with high-level aesthetics. Made entirely of **stainless steel**, this element is distinguished by craftsmanship that involves manual brushing of the body in three distinct phases, ensuring a uniform and resistant surface. The chromatic and material contrast is accentuated by the upper cap, finished with a mirror polishing that gives the product a representative character, ideal for enhancing historical or modern architectural contexts of particular value.
