

Urban furniture notice board h 140300

Classic advertising board in galvanized steel, H 282 cm. Posting area 200x140 cm, underground anchoring and removable municipal nameplate.

Notice board for postings and urban signage with a classic design, ideal for integration into historical contexts, squares and public parks. Thanks to the overall height of **282 cm**, the structure ensures excellent visibility even from a long distance, making it perfect for displaying city maps or advertising communications. The product is made with a robust galvanized steel box structure, enriched with flat iron decorations and equipped with a **removable upper nameplate** for indicating the municipal name.
