

Urban street furniture bench 200 cm h28769

Bench for public spaces with backrest. Available in different colors. Dimensions: L.200 x D.58 x h.82 cm. Seat height: 45 cm.

Urban furniture bench **designed to furnish squares, streets, and parks** in villages and cities. Structure composed of no. 3 square tubular steel supports with a 30x30 mm section **with seat and backrest made using oval tubular steel slats** with a 40x20 mm section equipped with black PE finned head covers. The galvanized steel parts first undergo a pre-treatment degreasing process of impurities through vapor solutions, then dried and subjected to **painting operations using electrostatic spray guns** that cover the pieces with powder paint in a floury state. Subsequently, the product is subjected to polymerization in an oven, a process that allows the powder to solidify by baking at a temperature of 180°/200°C in a hot air circulation oven.

Technical features:

- Material: oval tubular slats
- Available in various colors
- Anchoring: flush with the ground
- Hardware and bolts: galvanized according to UNI 3740 standards
- Dimensions: L.200 x D.58 x h.82 cm
- Weight: approx. 45 kg
- Seat height: 45 cm

The urban furniture bench is supplied in an assembly kit.
