

Urban street furniture bike rack 2 spaces h915_19

2-space bike rack in painted steel. With key locking system. Dimensions: W. 286 x D. 200 x H. 800 mm.

Compact and innovative bike rack, designed to **park two bicycles** in the same direction in public parks, streets, areas outside shops and shopping centers. Made of **steel** and finished with two layers of paint (epoxy and polyester). The bicycle is secured by inserting the pedal into the opening and must be locked with a padlock that prevents the movement of a rear wheel and the frame. This bike rack guarantees **security and space optimization**, and is **compatible with all bicycle models**. Installation is simple thanks to the base to be anchored to the ground. **With key locking system.**

Technical features:

- Dimensions: W. 286 x D. 200 x H. 800 mm
- Number of spaces: 2

- In steel painted with epoxy paint and polyester paint
- Color as shown in photos
- With key locking system
- Does not require special maintenance
- Adaptable to all bicycle models
- Reduced footprint
