

Vertical double-sided charcoal grey bike rack h28748

10-space double-sided vertical bike rack with galvanized steel structure. Dimensions: 200 x 70 x H50 cm. Charcoal grey color. Anchoring: ground-level.

The bike rack is a useful furnishing accessory to allow bikes to be parked safely and tidily.

The 10-space product is therefore perfect for being placed outside schools, parks, squares, shopping centers, city streets, or in residential areas.

The rack is structured with 80x80 mm galvanized steel tubing and parking elements in Ø 25 mm galvanized steel round tube.

The double-sided charcoal grey bike rack is designed for ground-level anchoring using the appropriate anchoring plates.

Technical features:

- Number of spaces: 10 (5+5)
- Double-sided
- Material: galvanized steel
- Color: charcoal grey
- Anchoring: to be bolted down (bolts not provided)
- Dimensions: L 200 x 70 x 50 cm
