

Vertical wall-mounted changing table h743_11

Compact wall-mounted changing table in multiplex wood and HPL. Depth of 22.1 cm, ideal for limited public spaces with intensive use.

The **wall-mounted changing table** is a space-saving solution designed for setting up nursery areas in professional and public environments. Made of **high-quality multiplex wood** with an **HPL (High Pressure Laminate)** coating, the product is designed to withstand intensive use cycles, while ensuring a hygienic and easy-to-maintain surface. The folding design allows for optimization of space in rooms with limited square footage, without compromising the stability or safety of the changing area.

Technical features

- **Material:** Multiplex wood with HPL surface coating
- **Depth (closed):** 22.1 cm
- **Length:** 58.3 cm
- **Load capacity:** 50 kg
- **Safety:** Integrated side protections for fall prevention
- **Mechanism:** Easy opening and closing system
- **Accessories:** Pad not included in the delivery
