

Vertical wall-mounted changing table h743_12

Professional wall-mounted changing table in metal and HPL multiplex (83x68.2 cm). Space-saving design certified TÜV for high-traffic public facilities.

The **wall-mounted changing table** represents a professional and design solution for the setup of nursery areas in public and commercial facilities. Characterized by a **metal central structure** with a laser-cut pictogram, the device combines elegant aesthetics with superior structural resistance. The folding system is designed to offer a comfortable and safe change, optimizing space when not in use. The use of high-quality materials and the specific coating prevent daily wear and scratches, guaranteeing a long operational life even in contexts with high frequency of use.

Technical features

- **Material:** Metal coated in HPL multiplex
- **Certifications:** TÜV tested and GS certified (Guaranteed Safety)
- **Compliance standard:** DIN EN 1221:2013-12
- **Testing principle:** PfG EK5/AK3 18-20:2018
- **Organization:** n. 1 integrated internal shelf
- **Height:** 83 cm
- **Length:** 68.2 cm
- **Depth (closed):** 22.6 cm
- **Depth (open):** 82 cm
- **Load capacity:** 50 kg
- **Installation:** Wall mounting
