

Waiter service station h684_115

Elegant professional waiter station in laminated wood with refined aluminum-colored details. Modern structure equipped with 3 cutlery drawers with adjustable dividers, 3 lower doors and upper part closed by doors. Hidden wheels included.

The **professional waiter station** represents the perfect blend of modern aesthetics and maximum operational efficiency. Made of high-quality **laminated wood** and embellished with **aluminum-colored details**, this service station is designed to integrate discreetly into the most refined dining rooms. The "total-close" configuration features an **upper part closed by doors**, ideal for protecting glasses and tableware from dust, and a base with **3 doors** equipped with adjustable shelves. The structure is completed by **3 drawers** with repositionable internal dividers for impeccable cutlery management. Thanks to the **hidden wheels**, the cabinet ensures smooth mobility for room cleaning without compromising the linearity of its elegant design.
