

Waiter station h684_107

Large-sized professional waiter station (96.5x53.3x178.2h cm) with reinforced base and oversized wheels. Made of laminated wood with aluminum-colored details, it features 3 drawers with adjustable dividers, and an adjustable upper backslash. Ideal for heavy loads and frequent movements.

The **professional waiter station** is an impressive and ultra-resistant service unit, designed to be the operational heart of high-traffic restaurant dining rooms. Made of **laminated wood** with refined **aluminum-colored details**, this structure combines modern aesthetics with uncommon robustness. The **reinforced base** is equipped with **oversized 125 mm wheels** and an ergonomic push handle, ensuring smooth mobility even when the unit is loaded to maximum capacity. The internal organization is meticulous: **3 drawers** with adjustable dividers for cutlery and **3 doors** with repositionable shelves. The large **height-adjustable upper backslash** allows you to keep glasses, menus, and condiment sets always within reach.
