

## Waiting room bench 2-seater model with small table h44929

Waiting room bench model h44929 two-seater in black painted steel with central table.

Dimensions: H.820 x D.580 x W.1500 mm

The proposed h44929 bench model is characterized by a black painted steel structure with 100% polypropylene fabric seats. In the center of the two seats, a small table made of plastic material is provided, ideal for waiting rooms that involve the use of brochures and catalogs.

This model is resistant and comfortable with floor support, but if desired, it is possible to prepare the bench for permanent floor fixing upon request.

Our production gives you the possibility to choose the fabric color from the drop-down menu.
