

Wall-mounted ashtray capacity 1 lt. h42406

Wall-mounted ashtray. Capacity 1 litre. Equipped with rain protection. Dimensions: **Ø80x292 mm.**

The outdoor ashtray is a fundamental element in order to keep the surrounding area clean.

The product has the function of containing cigarette butts and ash resulting from the use of cigarettes, contributing to reducing environmental pollution.

The ashtray is made with cold-rolled **steel** plates, and finished with a thermo-heating polyester powder coating.

The product is designed for **wall mounting** and is characterized by a gravity emptying system protected with a **key lock**.

The **rain protection** reduces the possibility of water entering inside the ashtray.

The ashtray has a **capacity of 1 litre** and the **cigarette symbol** shown in the upper part makes its function intuitive.

The item is suitable for outdoor use in normal environmental conditions.

Technical features:

- Outdoor ashtray
- Capacity: 1 litre
