

Wall-mounted baby changing table h464_103

Vertically folding wall-mounted changing table. Made of plastic material. Dimensions: H.450 x D.860 x W.550 mm.

The **h464_103 wall-mounted changing table** is the ideal technical solution for setting up functional nursery areas in the restrooms of restaurants, hotels, stations, and shopping centers. Featuring an **off-white finish**, the product integrates discreetly into any decor style. The high-resistance plastic structure is designed for **vertical mounting**: thanks to the retractable folding system, the changing table occupies only 12 cm of depth when closed, making it perfect even for small public bathrooms. The construction is oriented towards maximum hygiene, with smooth surfaces that are **moisture-resistant**, ensuring simple and quick maintenance.

Technical characteristics

- **Structure:** High-resistance engineering plastic
- **Color:** Off-white (versatile for any decor)
- **Orientation:** Vertically wall-folding
- **Hygiene:** Non-porous surface, easy to clean and moisture-resistant
- **Closed dimensions:** 86 (H) x 55 (W) x 12 (D) cm
- **Open dimensions:** 450 (H) x 860 (D) x 550 (W) mm
- **Supply status:** Delivered fully assembled and ready for installation
- **Compliance:** EN12221-2013 standard
