

Wall-mounted cigarette display rack h339_85

Single-column wall-mounted display in clear plexiglass for 20-cigarette packs. Dimensions: W 7 x D 11 x H 48 cm.

The **h339_85 cigarette display rack** is a vertical display solution designed to optimize the tightest spaces in tobacco shops, bars, and betting shops. Made of **clear plexiglass**, this single-column stand solves the problem of tobacco organization where counter space is absent, offering a functional and easy-to-place wall-mounted system. The structure is specifically sized to hold a full carton of 20 packs of 20 cigarettes, keeping them organized and ready for quick retrieval. Thanks to the material's transparency and minimal design, it integrates perfectly into any professional decor without visually weighing down the environment.
