

Wall-mounted coat rack 10 places folding hangers h908_192

Wall-mounted coat rack h908_192 in melamine with 10 space-saving folding hangers. Length 200 cm, ideal for safety in kindergartens.

The **h908_192 wall-mounted coat rack** is a professional furnishing system designed specifically for the organization of spaces in **kindergartens**, nurseries, and playrooms. The structure is conceived to maximize order in collective environments, while ensuring a high standard of passive safety for young users.

Made with a solid **melamine board**, a material known for its resistance to wear and ease of sanitation, the support holds **10 folding plastic hangers**. This particular retractable mechanism allows the hangers to close when they are not in use, drastically reducing the protruding bulk and preventing accidental impacts in corridors or passage areas. The length of 200 cm ensures an optimal distribution of space for an entire class.
