Wall-mounted display for wet umbrella bags h35804

Wall-mounted display in satin-finished aluminum for wet umbrella bags. Capacity: packs of 200 bags.

The **wall-mounted display for wet umbrella bags h35804** is a space-saving solution designed to tidily manage customer entry on rainy days. Made of **satin-finished aluminum**, this support combines durability and a professional aesthetic, perfectly fitting both small retail outlets and large commercial areas. The display solves the operational problem of slippery floors and uncontrolled dripping on goods, allowing the distribution point to be fixed directly at the entrance without occupying floor space. It is supplied **equipped with explanatory stickers** that guide the user in using the wraps, improving customer autonomy and the safety of indoor environments.
