

Wall-mounted galvanized steel ashtray h28727

Cigarette snuffer for urban furniture ideal to be installed **on an existing pole or on a wall**. Color: anthracite gray. Made in Italy.

Outdoor ashtray consisting of a body made of a **galvanized steel round tube** equipped with a top cap with a central hole Ø 35 mm. Emptying takes place by **opening the lower door** equipped with a triangular key lock supplied. The galvanized steel parts first undergo a degreasing pretreatment process of impurities through vapor solutions, then dried and subjected to **painting operations using electrostatic guns** that coat the pieces with powder paint in a floury state. Subsequently, the product is subjected to polymerization in an oven, a process that allows the powder to solidify by baking at a temperature of 180/200° C in a hot air circulation oven. The powders used in the painting process are **non-toxic according to current regulations**.
