

Wall-mounted hair dryer for hotels h218_162

1600W wall-mounted folding hair dryer in white ABS. Equipped with 2 speeds, cold air button and anti-vandal automatic locking system for hotels.

The **h218_162 folding hair dryer** is a high-performance space-saving solution, designed to meet the needs of **hotels, bed & breakfasts and accommodation facilities** that require a discreet but powerful bathroom accessory. Made of **high-resistance ABS plastic**, this model stands out for its **folding structure**, which allows for minimizing the footprint on the wall when not in use. The device solves the problem of durability in professional contexts thanks to an innovative **anti-vandal automatic lock**, designed to prevent tampering or improper use. With a power of 1600 W and a two-speed selector, it guarantees quick and personalized drying, complemented by the **cold air** function for setting the style, a feature much appreciated by the most demanding guests.

Technical characteristics

- **Material:** Heat-resistant ABS technopolymer
- **Color:** White
- **Configuration:** Space-saving folding structure
- **Safety:** Anti-vandal automatic lock
- **Extra functions:** Dedicated button for cold air
- **Adjustments:** 2 air flow speeds via switch
- **Power cord:** Extendable from 450 mm to 1000 mm
- **Maximum power:** 1600 W
- **Voltage:** 220-240 V (50/60 Hz)
- **Electrical insulation:** Class II (double insulation)
- **Protection degree:** IP20
- **Air performance:** Speed 50 Km/h - Flow 1200 l/min
- **Sound emission:** 60 dBA (sound pressure)
- **Dimensions:** H. 230 x W. 180 x D. 80 mm
