

## Wall-mounted hotel hair dryer h218\_227

Wall-mounted pistol hair dryer h218\_227 for hotels. Power: 1600 W, ABS casing, two speeds and safety button. Available in three finishes.

The **wall-mounted hotel hair dryer h218\_227** is a professional pistol device designed specifically for the hospitality sector. Made of **high-resistance ABS**, this model solves the problem of safety and energy saving in accommodation facilities thanks to the **continuous pressure button**, which prevents accidental or prolonged activation of the device when not in use. The integrated wall support and the extendable spiral cable optimize space in hotel bathrooms and hospitality structures, offering guests an efficient drying experience with a controlled output temperature between **55-60 °C** to protect the hair fiber.

## Technical features

- **Material:** ABS (pistol body, support, diffuser and air intake)
- **Power:** 1600 W
- **Consumption:** 1540 W
- **Dimensions:** H 222 x W 159 x D 99.3 mm
- **Motor speed:** 21,000 rpm
- **Air speed:** 21 m/s
- **Air flow:** 2.55 m<sup>3</sup>/min
- **Adjustments:** two speeds and adjustable temperature levels
- **Safety:** continuous pressure button (only activates if pressed)
- **Spiral cable:** maximum length 1000 mm (16 cm at rest)
- **Electrical insulation:** Class II
- **Protection degree:** IPX0
- **Noise level:** 69 dB
- **Power supply:** 220 – 240 V // 50/60 Hz
- **Weight:** 0.6 kg
