Wall-mounted hotel minibar with glass door h7676

12-liter wall-mounted minibar in mirrored tempered glass. Ultra-compact design (D. 225 mm) for wall installation in hotel rooms and resorts.

The **12-liter wall-mounted minibar** is a solution specifically designed to optimize space within hotel rooms, resorts, and accommodation facilities where the square footage requires functional and compact furnishings. Thanks to the wall installation, this minibar solves the operational problem of placement in small rooms, eliminating floor space requirements and integrating elegantly into the room's design. The target audience includes hotels and vacation homes that wish to offer a comfortable stay while maintaining a modern aesthetic, guaranteed by the **mirrored tempered glass door** and the total black structure.
