

Wall-mounted HPL changing table h743_06

Professional wall-mounted changing table in HPL, 60.5x80.5 cm. Waterproof and space-saving high-resistance structure, ideal for public services and nurseries.

The **wall-mounted changing table** represents a professional solution designed to optimize space in high-traffic environments. The structure is conceived to meet the requirements of **hygiene and safety** in public contexts such as nurseries, schools, medical offices, hotels, and accommodation facilities. The use of **HPL (High Pressure Laminate)** guarantees an extremely robust surface, totally waterproof and resistant to humidity, making it suitable even for installation in bathrooms with poor ventilation.

Technical features
