

Wall-mounted outdoor ashtray h287_154

Outdoor cigarette snuffer with mounting, with an elegant design.

Outdoor ashtray with an **elegant design** in the shape of a flower, ideal for being placed in any outdoor environment. **The cigarette snuffer** is made using a **galvanized steel** half-sphere and support for extinguishing cigarette butts. Support element made of **galvanized steel** castings. **Emptying system** by **releasing the ashtray** from the support by **means of an Allen key** provided. Finish: The galvanized steel parts first undergo a degreasing pre-treatment process for impurities through steam solutions, then dried and subjected to painting operations using electrostatic guns that cover the pieces with powder paint in a floury state. Subsequently, the product is subjected to polymerization in an oven, a process that allows the powder to solidify by baking at a temperature of 180/200° C in a hot air circulation oven. The pieces coming out of the oven are cooled naturally. The powders used in the painting process are non-toxic according to current regulations. Anchoring: prepared **for wall mounting**.
