

Wall-mounted soap dish for hotel bathrooms h438_292

Wall-mounted zinc soap holder with brilliant finish (7x11x14 cm). Robust and elegant solution for bathrooms in hotels, B&Bs, and accommodation facilities.

The **wall-mounted soap holder** is an essential accessory designed to optimize the organization and hygiene of bathrooms in professional and hospitality contexts. Made of **high-quality zinc**, the support combines remarkable mechanical resistance with a **brilliant finish** that integrates perfectly into various bathroom decor styles. The wall-mounted configuration allows for freeing up precious space on the washbasin, while ensuring superior stability compared to countertop models.
