

Caratteristiche

Wall-mounted stainless steel washbasin with hidden knee control h509_119

Wall-mounted stainless steel hand wash basin with knee control and hidden button. Dimensions: W. 350 x D. 300 x h. 250 mm.

The **wall-mounted stainless steel washbasin**, with a **smooth surface**, stands out for its **modern and minimal design**, capable of integrating into any environment that requires a professional cleaning tool that is **robust and durable**. Its operation is via **knee control with a timed button hidden** behind a door. Thanks to the use of the hidden knee-operated button, it is possible to avoid contact with surfaces, preventing the spread of germs and bacteria. The structure includes a **thick recessed bowl** and incorporates an **overflow, drip-proof edge** and **non-return mixing valve**.

Technical features:

- Material: stainless steel
- Dimensions: W. 350 x D. 300 x h. 250 mm
