

Wall-mounted street furniture bench h287_373

Urban bench in galvanized steel with wall mounting, seat and backrest in round tube. Dimensions: L 150 x D 56 x H 48 cm.

The **wall-mounted street furniture bench H287_373** is a solid and space-saving solution for street furniture, ideal for **outdoor public environments** such as **schools, entrances to public buildings, stations, pedestrian paths, and recreational areas** where ground installation is not possible or it is desired to keep the flooring clear.

The structure is composed of **galvanized tubular steel supports** and solid profiles designed for **direct wall mounting**. The **seat and backrest** are made of **Ø 20 mm galvanized round tube**, with **finned black polyethylene end caps**, which improve the safety and aesthetics of the product.

The entire structure is subjected to an advanced **epoxy powder coating treatment**: first degreased, then painted with electrostatic technology and finally **cured in an oven at 180–200°C**, to offer **high resistance to corrosion, atmospheric agents, and UV rays**. The **powders used are non-toxic** and comply with current environmental safety regulations.

The product is available in **different colors**, to best adapt to any architectural and urban context. It is delivered **already assembled**, ready for installation, simplifying the laying operations.

Optimize urban space with a safe, resistant, and easy-to-install bench like the **street furniture bench H287_373**. Contact us for custom supplies or to receive a personalized quote.

Technical features:

- **Type:** Outdoor wall-mounted bench
- **Structure:** Galvanized steel with supports prepared for wall mounting
- **Seat and backrest:** Ø 20 mm galvanized round tube
- **End caps:** In finned black PE
- **Finish:** Epoxy powder coating, oven-cured
- **Colors:** Available in multiple variants
- **Painting:** Non-toxic and compliant with current regulations
- **Dimensions:** L 150 x D 56 x H 48 cm
- **Anchoring:** Wall-mounted
- **Supply:** Delivered already assembled

User benefits:

- **Wall mounting:** ideal for environments with limited space.
- **Structure:** resistant to atmospheric agents, anti-rust, and durable.
- **Minimum maintenance:** thanks to the certified and non-toxic painting.
- **Design:** compact and functional, perfect for urban environments.
- **Delivery:** already assembled ready for installation, without additional operations.

FAQ:

1. **Can the bench be installed on any type of wall?**

Yes, as long as the wall is load-bearing. It is recommended to use plugs suitable for the type of masonry.

2. **Is the painting resistant to rain and sunlight?**

Yes, the oven-cured epoxy painting guarantees high resistance to atmospheric agents and UV rays.

3. **Is it available in other colors?**

Yes, the bench can be produced in different colors upon request.

4. **Is special equipment needed for assembly?**

No, just a drill and plugs suitable for the wall. The bench arrives already assembled.

5. **Is it also suitable for indoor environments?**

Absolutely yes. It is also perfect for corridors, entrances, or indoor waiting areas.

Mini buying guide:

When choosing a wall-mounted street furniture bench, it is necessary to evaluate **resistance, ease of installation, and compatibility with the environment**.

This model is perfect for contexts where it is desired to keep the walking surface free or where ground fixing is not possible.

The **galvanized tube** and **powder coating** guarantee a long life outdoors with **minimal maintenance**.

Always check the load-bearing capacity of the wall and ensure that the bench is positioned at a comfortable height for use. The fact that it is **delivered already assembled** reduces installation time, making it ideal even for large-scale installations quickly.

Wall-mounted street furniture bench, galvanized steel outdoor bench, wall-mounted street furniture seating, compact bench for public spaces, already assembled wall-mounted bench, weather-resistant urban bench.
