

Ward round trolley 3 drawers h564_87

Medical record trolley with drawers and pull-out shelf. Dimensions: 750x650xh.1060 mm

Ward round trolley record holder, monocoque with high-density technopolymer walls: they guarantee excellent durability over time, **resistance, safety, hygiene** and **extreme maneuverability** of the trolley thanks to their lightness. The innovative design of the colors gives the trolley an attractive, linear and compact shape. **Self-supporting body formed by 4 external uprights** made of **steel painted** with epoxy powders that ensure stability and **compactness to the trolley**. The painting process complies with **UNI EN ISO 9001** standards. Side and rear walls self-supporting for a load of 100 kg, made of technopolymer, with rounded edges and no sharp corners, prepared for the insertion of accessories. **Upper part worktop in molded technopolymer**, scratch-resistant, washable and easily disinfected. Complete with perimeter edge on three sides for liquid containment. **Top dimensions 700x500 mm. Painted steel drawers sliding on full-extension telescopic guides** with soft-closing automatic return end stop; complete with ergonomic and anti-trauma molded aluminum handle. **Centralized locking with anti-trauma folding key**. Left side **PC drawer**, sliding on full-extension telescopic guides, complete with ergonomic and anti-trauma push handle. Base with double anti-tip and anti-shock perimeter bumper in technopolymer. **4 thermoformed swivel wheels** in solid rubber, mounted on Ø 125 mm bearings, **2 of which with brakes**.

Technical features:

- Material: technopolymer
- Centralized locking with key
- Lateral PC drawer
- No. 4 wheels Ø 100 mm, 2 of which with long lever brake
- Dimensions: 750x650xh.1060 mm
- 3 drawers
- X-ray film holders not included

Standard drawer configuration:

- 1 painted steel drawer, dimensions 460x420x75 h mm
- 2 painted steel drawers, dimensions 460x420x300 h mm and equipped with guides for A3/A4 format hanging folders, capacity 15 folders per drawer.
