

Waste bin 70 Liters capacity h20_201

70-liter wheeled waste bin in AISI 430 stainless steel with HACCP pedal and removable front for hygienic waste management in the HoReCa sector.

This **professional mobile waste bin** is designed to optimize waste management within high-productivity environments such as restaurant kitchens, company canteens, and hotel facilities. Made of **AISI 430 stainless steel** with a bright finish, the structure combines mechanical resistance and ease of sanitization, meeting the rigorous hygiene standards required by the catering sector. The integration of a steel handle and rubber wheels allows for quick and silent movements, facilitating floor cleaning operations.

Technical specifications

- **Material:** AISI 430 stainless steel with a bright finish
- **Capacity:** 70 liters
- **Dimensions:** W 480 x D 420 x H 755 mm
- **Weight:** 10.2 Kg
- **Movement system:** 2 non-marking rubber wheels and rear steel handle
- **Operation:** Large pedal compliant with HACCP regulations
- **Ergonomics:** Removable front panel to facilitate bag extraction
- **Bag management:** Bag-fixing elastic for stable and tidy positioning
