

Waste bin for hotel room h16438

Fireproof waste bin for hotel room. Capacity 9 liters. Dimensions: H 265 x Ø 230 mm.

The **waste bin** is an essential furnishing accessory to make the rooms of hotels, B&Bs, and various accommodation facilities functional. The bin allows for the collection of small waste by guests and is also ideal for placement in receptions and conference rooms. The product consists of an **internal stainless steel structure** and a **rubber base** that allows for **floor protection**. The **removable double wall** makes it possible to **hold** and **hide** the **bag**, promoting maximum order and cleanliness. The **waste bin** is available in **black** and has a **capacity of 9 liters**.
