

Waste bin holder h110_169

201 stainless steel waste trolley, 50.5x35.5x80 cm. Equipped with 4 wheels with brakes for quick movement in HoReCa environments.

The professional waste collection trolley is designed to optimize waste management in high-intensity operational environments such as hotel kitchens, restaurants, and bars. Made of **201 stainless steel**, the support guarantees a solid structure resistant to daily mechanical stresses. The four-wheel handling system facilitates the transfer of loads between different workstations and the disposal area, reducing the operator's physical effort and improving internal logistics efficiency.

Technical features

- **Material:** 201 stainless steel
- **Mobility system:** 4 swivel castors, 2 of which are equipped with a parking brake
- **Overall dimensions:** W. 50.5 x D. 35.5 x h. 80 cm
- **Net weight:** 5.44 kg
- **Configuration:** quick and simplified assembly
