

Waste collection container h469_04

Recycling container with two bins and removable top lid. Capacity: 2x60lt. Dimensions: 65x32x85 cm.

Recycling bin ideal for use in shopping centers, shops, offices, schools, and universities.

The product consists of two containers with **internal rings** to support waste bags (not included).

The **top lids** are **removable** facilitating waste removal.

The different **colors** and the relative **stickers/labels** allow for a proper recycling system.

Technical features:

- Material: powder-coated sheet metal
- Capacity: 2x60 lt
- Internal rings to support waste bags
- Removable top lid
- Dimensions: 65x32x85 cm

Upon request and subject to a quote, the container is available in different sizes, and it is possible to choose the desired RAL colors with the corresponding type of waste.
