

Whale-shaped spring rider h35114

Whale-shaped plastic spring rider for playgrounds. Dimensions: W42.6 x D85.4 x H82.8 cm

Spring rider with a cute **whale shape** perfect for playgrounds or private gardens. Suitable for children aged between 0 and 12 years. The material used for the shape is mass-colored **PE-HD polyethylene**, high-density and **completely recyclable**. The rider is equipped with **handles** to allow the child to support hands and feet, also made of polyethylene and characterized by a **non-slip surface** that allows for a better grip. The polyethylene is treated to allow the **protection of the material from UV rays**. Fixing is done by burial and is provided by a **sturdy hot-dip galvanized and anti-corrosive steel frame**. The spring is made with tested and certified 20 mm wire, anchored at the ends via the **Spring Disk system**. Finally, a patented nylon U-bracket is fixed to the spring disk to ensure the perfect connection between the spring and the ride-on shape.
