

White bench in memory of road victims h140_521

Commemorative bench in galvanized steel with ergonomic shell and white RAL 9010 finish, designed for public spaces and urban installations. Dimensions: L 150 × W 80 × H 83 cm.

The **white bench H140_521** is an element of **commemorative urban furniture** dedicated to road victims. Its **ergonomic and modern design**, combined with the robustness of the materials, makes it perfect for installation in **parks, squares, gardens and places of public reflection**.

The structure is made of **galvanized and powder-coated steel**, with **anti-corrosion treatments** that guarantee **resistance to atmospheric agents and long-term durability**. The seat and backrest consist of **25 profiles in Ø 20 mm round galvanized steel tube**, fixed on special **galvanized flat steel** shapes that provide a comfortable anatomical shape.

The white **RAL 9010** finish is not only an aesthetic element, but also represents **a symbol of memory and awareness**. The painting process takes place through **a double cycle of thermoplastic powder application**, with **baking at 180°C**, ensuring **uniformity and protection from external agents**.

The fixing system is prepared with **perforated circular galvanized sheet metal plates**, for **secure anchoring to the ground using anchor bolts and expansion plugs**.

The bench is supplied **in an assembly kit**, with steel hardware and detailed instructions for quick and easy installation.

Buy the **white bench H140_521** now and help create a space for reflection and memory in your urban environment!

Technical features:

- **Structure material:** Galvanized steel with powder coating
- **Seat and backrest material:** 25 profiles in Ø 20 mm round galvanized steel tube
- **Color:** White RAL 9010
- **Dimensions:** L 150 × W 80 × H 83 cm
- **Seat height:** 45 cm
- **Weight:** 46 kg
- **Finish:** Powder coating with polymerization at 180°C
- **Protective treatments:** River sand for increased porosity and anti-corrosive primer
- **Bolts and nuts:** Galvanized according to UNI 3740
- **Anchoring:** Flush with the ground via perforated plates for anchor bolts and expansion plugs
- **Delivery:** Supplied in an assembly kit with steel hardware and instructions included

User benefits:

- **Commemorative symbol:** dedicated to the memory of road victims.
- **Ergonomic and comfortable design:** flat iron shapes for an anatomical seat.
- **Resistant materials:** galvanized steel treated to resist atmospheric agents.
- **Protective finish:** powder coating with 180°C baking for long durability.

- **Secure anchoring:** circular plates prepared for ground fixing.
- **Easy installation:** supplied in a kit with detailed instructions.

FAQ:

1. **Is the bench resistant to rain and atmospheric agents?**

Yes, thanks to the galvanization of the steel and the powder coating, it is highly resistant to corrosion and external agents.

2. **Can it be fixed to the ground?**

Yes, the bench is prepared for ground anchoring via perforated plates, anchor bolts and expansion plugs.

3. **Is it supplied already assembled?**

No, it is delivered in an assembly kit with steel hardware and instructions for simple installation.

4. **Is it available in other colors?**

The H140_521 model is specifically in white RAL 9010.

5. **What certifications does the product have?**

The product is equipped with ISO 9001:2015 and UNI EN ISO 3834-3:2021 certification.

Mini buying guide:

If you want a **commemorative and functional urban furniture element**, the **white bench H140_521** is the ideal choice.

Thanks to its **resistant structure**, the **symbolic white finish** and the **ergonomic design**, it is perfect for **parks, squares, gardens and public areas**.

Its **advanced painting process** and **secure anchoring** make it a durable solution suitable for outdoor spaces, maintaining a **strong symbolic and social value**.

White commemorative bench, road victim memorial bench, steel urban bench, bench for public spaces, commemorative urban furniture, weather-resistant bench, ergonomic outdoor bench.
