

## White classroom teacher's desk h979\_15

White melamine school teacher's desk with lockable drawer. Painted steel structure with adjustable feet. Dimensions: W 120 x D 70 x h 76 cm.

The **white classroom teacher's desk h979\_15** is designed to offer **functionality, durability and safety** in educational environments. With its modern design and robust structure, it represents the ideal solution for **schools, institutes and training centers**.

The **19 mm melamine top** with 2 mm ABS edge, the tabletop is made of **three-layer wood particle board**, compacted with **synthetic resins by means of high-temperature flat pressing and sanding**. Thanks to its **high density (630 kg/m<sup>3</sup>)** and the coating with **melamine-impregnated decorative paper**, it ensures **durability, scratch resistance and ease of cleaning**.

The **steel structure** with Ø35 mm tubes, fully welded and finished with epoxy painting, ensures **high stability and corrosion resistance**. The adjustable feet allow the desk to be adapted to uneven surfaces, improving comfort and safety.

Thanks to the **assembled supply**, it is immediately ready for use without the need for assembly. Furthermore, it is certified according to the quality standards **ISO 9001, 14001 and 14006**, a guarantee of a reliable product compliant with regulations.

**Optimize your classroom with a safe and resistant teacher's desk!** Buy the **h979\_15** now or request a personalized quote.
