Wing advertising flag with car base h738_178

Wing flag with flexible pole and car base. Flag dimensions: 56.9 x 202.6 cm. Total height: 248 cm.

The **H738_178 wing advertising flag with car base** is an effective and practical solution for **outdoor and on-the-go promotion**, perfect for car showrooms, touring events, dealerships, outdoor markets and trade fairs. Thanks to the **base to be fixed under the vehicle's wheel**, installation is simple and immediate, ensuring **stability and visibility** even in outdoor environments.

The structure is composed of a **flexible fiberglass pole**, lightweight yet extremely resistant to wind and weather. The **100% polyester nautical fabric (100 g/m²)** is customized with **single-sided dye-sublimation printing**; the **artwork** must be provided during the **ordering phase** to proceed **with printing**. The **black finish** of the pole gives the product a professional and sober appearance, suitable for any commercial context.

With a **flag size of 569 x 2026 mm** and a total height of **2480 mm**, this wing flag represents a **compact vertical communication** but visible even from a distance. It can be used both **indoors and outdoors**, with a **minimum duration of 90 days in continuous outdoor exposure** (24/7 with unfavorable weather conditions) and **over 12 months in protected environments**.

Order the **H738_178 wing flag with car base** now: visibility guaranteed wherever you are! Send your artwork during the ordering phase to proceed with the included custom printing.

- **Compact:** yet highly visible.

FAQ:

1. **Is the flag suitable for use on the street or outdoor trade fairs?**
Yes, thanks to the car base, it is perfect for outdoor use during events or exhibitions.
2. **Is additional ballast or support needed?**
No, it is sufficient to position the base under the car wheel to ensure its stability.
3. **Are the graphics included in the supply?**
Yes, printing is included, but it is necessary to provide the artwork file during the ordering phase.
4. **How long does the flag last outdoors?**
In continuous outdoor use and with bad weather, about 90 days. With more moderate use, even over a year.
5. **Can it also be used indoors?**
Certainly, it is also suitable for indoors, especially in stands, showroom entrances and promotional areas.

Mini buying guide:

Wing flags with **car base** are perfect for those who need **mobility and speed of installation**.

The model H738_178 is ideal for **touring exhibitors, car dealerships or outdoor events**, thanks to the **fixing system under the vehicle wheel**, which eliminates the need for heavy bases or ballasts.

The **fiberglass** guarantees resistance even in the presence of wind, while the **nautical fabric** ensures sharp and durable printing.

Scegli questo modello se vuoi una **professional, practical and visible solution** in any situation.

Car advertising flag, wing flag with wheel base, outdoor vehicle event flag, dye-sublimation outdoor flag, wind-resistant compact advertising flag, promotional flag with car base, wing flag with custom printing, visual support for touring trade fairs.
