

Wood paneled tray trolley h2200158

Professional double-column tray trolley with **stainless steel** structure and **3-side melamine wood** closure. Capacity **20 GN 1/1 trays**, upper shelf with **gallery rail** and elegant finishes (Oak, Tobacco Oak, White). The top of the range for aesthetics and functionality in the dining room.

The **professional three-side paneled tray trolley** represents the perfect synthesis between industrial efficiency and furnishing design. Thanks to the full closure with **melamine wood** panels (two side and one rear), this model transforms a technical tool into an elegant piece of furniture, capable of completely hiding dirty trays and dishes from guests' sight during clearing operations.

The robust **stainless steel square tube** structure (2x2 cm) guarantees absolute stability for transporting **20 GN 1/1 trays**. The added value of this model is the **upper shelf with gallery rail**, which offers a safe support surface for accessories or service materials. Available in Oak, Tobacco Oak, and White finishes, it adapts naturally to elegant restaurants, hotels, and reception halls. Movement is fluid thanks to the 12.5 cm swivel wheels and the total protection offered by the non-marking grey rubber corner bumpers.
