

Wooden high chair for restaurants h464_417

Stackable black wooden high chair with adjustable safety belt. Load capacity: 15 kg. Dimensions: W 49.5 x D 51 x H 73 cm.

The **h464_417 wooden high chair** is the professional solution to ensure the safety and comfort of children within restaurants, pizzerias, and public venues. Featuring a **black wood finish** that adds a touch of contemporary style to the furniture, this model solves the operational problem of space management thanks to its **stackable design**, ideal for venues with limited square footage. The ergonomic structure ensures a comfortable seat, while the **adjustable waist safety belt** prevents accidental falls. Designed for intensive use, it has a washable surface that allows for hygienic, quick, and deep cleaning between services, easily removing crumbs and food residues.
