

Wooden luggage rack for hotels h43831

Solid wood luggage rack with 5 black straps suitable for hotel facilities. Foldable. Dimensions: W.500 x D.460 x h.550 mm.

The **h43831 wooden luggage rack for hotels** is a furnishing accessory with an essential design, designed to enhance the welcome within hotels, b&bs, and resorts. The **structure is made of solid natural wood**, a material that gives warmth and prestige to the room, while ensuring a solid support base for luggage. The product is equipped with **5 black nylon and polyester straps**, designed to offer superior tensile strength and balanced support. Thanks to its **folding structure**, the luggage rack can be closed with extreme ease and stored inside wardrobes or niches, allowing for the optimization of room space and facilitating daily cleaning operations carried out by the housekeeping staff.
